SUPPLEMENTARY INFORMATION:

I. Abstract

This request is for extension of a currently approved information collection. The NOAA Commissioned Corps is the uniformed component of the National Oceanic and Atmospheric Administration (NOAA), a bureau of the Department of Commerce. Officers serve under Senate-confirmed appointments and Presidential commissions (33 U.S.C. chapter 17, subchapter 1, sections 853 and 854). The NOAA Corps provides a cadre of professionals trained in engineering, earth sciences, oceanography, meteorology, fisheries science, and other related disciplines, who are dedicated to the service of their country and optimization of NOAA's missions to ensure the economic and physical well-being of the Nation.

NOAA Corps officers serve in assignments throughout NOAA, as well as in each of NOAA's Line Offices (National Environmental Satellite, Data, and Information Service, National Ocean Service, National Weather Service, Office of Oceanic and Atmospheric Research and Office of Planning, Programming and Integration).

Persons wishing to be considered for a NOAA Corps Commission must submit a complete application package, including NOAA Form 56–42, at least three letters of recommendation, and official transcripts. A personal interview must also be conducted. Eligibility requirements include a bachelor’s degree with at least 48 credit hours of science, engineering or other disciplines related to NOAA’s missions (including either calculus or physics), excellent health, normal color vision with uncorrected visual acuity no worse than 20/400 in each eye (correctable to 20/20) and ability to complete 20 years of active duty commissioned service prior to their 62nd birthday.

II. Method of Collection

Applicants must utilize the E-recruit electronic application process (<https://cpc.oma.noaa.gov/erecruit/login.jsp>) and then submit paper forms via mail. An in-person interview is also required.
